PREPARED FOR:

City of Elk River

THIS PLAN SET CONTAINS 174 SHEETS

Pursuant to the requirements of M.S. 216D.04, the state one-call notification center was contacted on JANUARY, 1998 AND OCTOBER 1998 (Ticket No.9444 AND No.498897), and these plans include the type, size and general location of underground facilities as reported by the affected operators of those facilities as of the date of completion of these final drawings. This information may not be relied on as warranting the actual presence, characteristics, or location of the underground facilities, and does not relieve any person from complying with state notification and location requirements prior to excavation.
